You will recall that in the Deputies' meeting on 4 August 1971 it was agreed that implementation of improved career selection procedures would be accomplished through routine coordination of the necessary regulatory changes. We are initiating those changes.

It will also be necessary for the Director to delegate to the Director of Personnel authority to terminate employees during the one-year trial period. I recommend that you ask the Director to sign the attached Statement of Delegation which we have cleared with the OGC.

Harry B. Fisher
